The company

Santens nv

Galgestraat 157

BE-9700 Oudenaarde

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 10662**

Tested for harmful substances
according to Oeko-Tex Standard 100

Test-No. 51111414

Centexbel

for the following articles:

Bath-, Kitchen- and Table linen, produced from cotton, viscose made from bamboo, polyamide, polyester (single use or in combination), dyed with reactive, indanthren and/or disperse dyestuffs, with cotton and/or polyester sewing threads, with a woven and/or printed label

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.11.2010
